

Hot City™ Game Information

Hot City™ is a 5-reel, 25-line video slot from Net Entertainment™. Based on the glitz and glamour of the 'Big Apple'. Hot City offers rich graphics and background music. The game features a VIP shoe shopping frenzy game where layers visit a designer shoe store to select a range of stylish shoes from their collection; each pair corresponds to a coin value.

In addition, the game also includes 10-30 free spins depending on the number of scatter symbols. Free Spins wins are tripled. The maximum bet per game round is €50 with a max win of €68,610 during free spins.

Hot City Bonus game

Main game

Before a game round players can select the coin value, number of bet lines and bet level before spinning the reels. The minimum bet is one coin on one bet line, and the maximum bet is 4 coins covering all 25 bet lines (€50).

Game actions - The buttons on the key pad perform the different game actions (see table on page 2)

Hot City™ Game Design

The Hot City™ slot is comprised of three main elements—video display area, keypad and game panel.

Video display area

The main game, free spins and bonus games are played in this area. In addition, the payable is also displayed in this area.

Keypad

The keypad houses the current bet level (number of coins per bet line), the current number of bet lines, available cash in coins and the current coin value. In addition, the main game buttons used to select the bet level, bet lines, coin value, view the bonus game preview and start the game are located in this area.

Game panel

In this area the game displays the available cash in the player's account, as well as the amount bet and won. Buttons for the game settings menu, audio, game rules and autoplay are located to the left on the game panel history.

Game Actions

BET LINES	When the button is clicked the bet line counter increases by one and an additional bet line is highlighted. Players can also click a betline number to select the corresponding betlines.
BET LEVEL	This increased the bet level by one.
COIN VALUE	This increases the coin value.
MAX BET	When this button is selected, the bet level counter changes to 4, all bet lines are active and the game round starts.

bet round at max bet

Game rounds - A Hot City™ game round starts when the player clicks the spin button; the amount bet is deducted from the current credit (available coins and credit). The reels spin and automatically come to rest. The player has an option to stop the reels by clicking the spin button (available when G4 mode is disabled).

Game results - Players can win on any one of the bet lines on which they bet. The game highlights which lines are winners and how much has been won on each line. The total winnings are added together and shown in the Win box. The amount won is added to the cash and displays in the game panel.

Reel Spin Acceleration - Anticipation of winning is heightened with reel spin acceleration that starts when 2 scatters appear on the reels or when the bonus symbol appears on the 1st and 2nd reels.

Shoe Giveaway Bonus Game

The Shoe Giveaway bonus game is an off-the-reels 'pick until pop' style bonus game. Players get to fill a take home bag with as many pairs of shoes as they can. The game ends when players selection land on an empty shoe box. Random coin wins are awarded for each pair of shoes the player takes home.

Max payout - The max payout possible win in htis bonus round is 16,800 coins (€8,400)

Bonus game trigger - Whenever players get 3 or more bonus symbols on an active bet line (in succession from left to right), this triggers the bonus round. Only 1 bonus round is awarded per spin.

Bonus game play - The player is presented with 12 pairs of shoes. A highlight moves continuously around the shoes. The aim of the bonus game is to stop on shoes that pay out the highest or until the entire shoe collection has been selected by the player. The player clicks the STOP button and the highlight comes to rest on one of the boxes. He/She wins the amount associated with the shoe and the amount is added to their gift bag. If the highlight lands on an empty box, the bonus game ends and the player returns back to the main game.

Hot City Bonus Game

Wild substitution

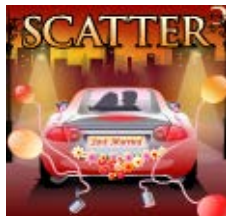

The Wild symbol substitutes other symbols to complete winning combinations. The Wild symbol is represented by the "Lovers" symbol that animates when displayed on a winning bet line.

The wild symbol acts as a regular symbol. 5 symbols on a bet line pays out a multiplier of 10 000 giving a max payout of 40 000 coins at bet level 4. This is the highest win in the main game (excluding free spins)

Exceptions: The wild symbol does not substitute for bonus or scatter symbols to complete winning combinations.

Wild and Bonus Symbols

Scatter symbol

Bonus game finish - A win presentation displays the total number of coins won during the bonus game. The player's winnings are added to the player's cash when the player returns to the main game.

Feature preview - Players can click on the FEATURE PREVIEW button to the right side of the game to view the bonus game.

Scatters and Free Spins

Hot City™ features scatters that give the players a chance to enter the Free spins round.

Max payout – The max payout win during Free spins is 120,000 coins (€60,000)

Scatter wins – The main game pays out on 2 or more scatters. These wins pay the multiplier displayed on the payable times the total bet.

Free spins feature - When players get 3 or more scatters in any position, the player wins 10 or more free spins.

- 3 scatter symbols win 10 Free spins
- 4 scatter symbols win 20 Free spins
- 5 scatter symbols win 30 Free spins

These free spins are played at the same bet level and same number of bet lines as the round that triggered the free spins. A dynamic sign above the Start Free Spins button shows players how many free spins they have remaining and the multiplier applied to the free spin wins (x3).

Re-triggered free spins -When players get 3 or more scatters during a free spins round, they activate additional free spins.

Free spin wins – Bet line wins on free spins are tripled. The players winnings are added to his/her cash after the free spin round.

Hot City Paytable

Paytable

The main slot winnings are paid out depending on the symbols displayed on a bet line when the reels come to a full stop. For a combination of regular symbols to become a winning combination, at least 1 of the symbols must be present on the first reel with the remaining symbols next to each other on an active bet line. The in-slot paytable displays the payouts for each winning combination and also for the bonus feature.

Hot City features a 3-page paytable. Players can click on the PYTABLE which shows the first page of the paytable. This page contains the payout rules for Wild, Scatter and Free spins. The second page can be accessed by clicking the right arrow, and displays the payout information for medium and low value symbols as well as a graphical display of the bet lines. The last page displays the rules about the bonus game and payout. To return to the main game simply click on the 'Return to Game' arrow.
